

Earn a scholarship ...

to attend Christian Youth in Action®!

The training you will receive at CYIA™ fully prepares you to teach 5-day Clubs® this summer as well as camp counseling, and Good News Clubs® during the school year. You can reduce the cost of CYIA training by lining up 5-day clubs, helping at camp, and working with Good News Clubs! Do you have friends, family members, and neighbors, or areas that could host a 5-day Club? Please sign them up! Start working now! Fill out the form below, and bring with you to CYIA and present at registration. Your required clubs earn scholarships too!

Example of a phone conversation in setting up the club: "Hello, this is _____. I plan to attend *Christian Youth in Action* in June, where I will be trained to teach 5-day Clubs, which is a backyard club for neighbor children to attend and hear the Gospel of Jesus Christ. Would you be interested in hosting one of these clubs in your yard? Your responsibility will be to hand out the invitations (which I will provide), a shady area to hold club, as well as a simple snack at the close of each club day." Let the hostess know that she will need to go through the background screening process that is required by CEF®.
